On Location - Priority Access Deposit Conditions

WHY CHOOSE PRIORITY ACCESS?

Gain priority access to secure your official FIFA World Cup 26™ hospitality packages ahead of the general public, ensuring you claim the best seats, access to exclusive hospitality experiences, and much more.

HOW IT WORKS:

- Place a fully refundable deposit and secure your spot in line for the exclusive FIFA World Cup 26™ presale.
- We will contact you before the presale begins to connect you with your dedicated On Location representative.
- Once the Priority Access window begins, our team will assist you with your selection.
- Your deposit amount will be applied to your final balance.

PRIORITY ACCESS VOUCHER TERMS:

- **Refund Policy:** Priority access deposits are refundable unless they are applied to a package. Once applied, your deposit secures your booking and is no longer refundable.
- **Flexible Credit:** Your deposit automatically converts to a FIFA World Cup 26™ account credit after the designated deposit conversion period.
- **Availability Not Guaranteed:** Please note that specific inventory, matches, or venues may be subject to availability.
- **Non-Transferable:** Deposits are non-transferable, cannot be re-sold or applied to other On Location experiences.

Final sale of a hospitality package is subject to you entering a sales agreement with On Location, which, amongst other things, will require you to agree to On Location's Sales Regulations applicable to your potential purchase and subsequent use of a hospitality package.
